**It's a Family Affair
For Sisters Lisa and Selma!
Est. 2004**

Lisa's Mediterranean Cuisine isn't just a restaurant. My sister Selma and I create true Mediterranean dishes as a labor of love. We have a passion for authentic Mediterranean flavors, offering a delightful fusion of traditional dishes that span the rich culinary tapestry of the region.

Mediterranean accents complement the decor, creating a cozy and inviting atmosphere. We greet our guests with genuine warmth, ensuring each visitor feels like part of the family. Our staff recommends new flavors to try and accommodate any dietary preferences with care and creativity. Lisa's menu deeply connects to family recipes using the finest fresh ingredients.

Our personal touch is evident in every aspect of the restaurant, from the carefully curated menu to the warm hospitality that keeps guests coming back.
